March 24, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Chatom, AL Waste Water Facility Upgrades in fiscal year 2024. The entity to receive funding for this project is the Utilities board of the Town of Chatom located at 44 West Front Street in Chatom, AL 36518. Funding would be used for mechanical and electrical upgrades to the wastewater system. The project is an appropriate use of taxpayer funds because of the needed growth and safety of waste water facility in the rural town of Chatom. The project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jerry R. Carl". The signature is stylized with a large, looped initial "J" and a long horizontal stroke at the end.

Member of Congress
